**FINAL SET OF CARPORT ROOFS
TO BE CLEANED THIS SATURDAY
(7630, 7632, 7634)**

The final set of carport roofs is scheduled to be cleaned this coming Saturday (May 6, 2023.) Signs have been posted. For those who park under these carports, please move your vehicle out of these carports by 8:30AM. Enviroscaping crew will be removing the debris and washing down the roofs. Barring unexpected circumstances, the carports should be available by 4PM. Thank you in advance for your cooperation and patience.

SMOKE ONLY IN DESIGNATED STATIONS

The Association has a policy that one may smoke only at specifically designated exterior smoking areas. Smoking outside of these places constitutes a violation of the Assoc rules and, therefore, the unit is subject to be fined.

It appears that there might be someone smoking inside their unit at Bldg. 7636 (Unit in the 200's most likely) which is depriving another unit's ability to enjoy peace and quiet. If you are this smoker, please immediately cease.

MAINTENANCE CARETAKER HIRED

The Association recently hired one of its residents, Jim Dewey, to fill a newly created position of Maintenance Caretaker. The goal is for this person to help with the various maintenance tasks around the complex. Jim comes with a wealth of experience in facilities management. The Association looks forward to his contribution.

PARKING REMINDER

As a reminder, all unassigned parking areas (except for the overflow parking lot across from 7602 & 7606) are for 72 hours only. The only "long-term" parking place is located where the old car wash area is. Violators are subject to be towed at vehicle owner's expense.

TREE WORK PLANNED BY 7640

From May 15 through May 17, weather permitting, Action Tree will be pruning / reducing the 6 large Eucalyptus trees along Bldg. 7640. At this time, it is estimated that it will take 3 -4 days. If needed, they will be back the next week.

Additionally, there is one large limb to be removed by Bldg. 7638. At this time, it looks like Action Tree will be doing that work on May 24th & May 25th.

Thank you to those residents nearby for your patience.

**ELEVATED WALKWAYS INSPECTION
 REQUIRED**

A few years ago, State law requires all elevated walkways (above 6') must be inspected by December 31, 2024. The Assoc is obtaining bids for the Board to consider.

**UPDATING THE BYLAWS & CC&R'S
 STILL IN THE WORKS**

The process of drafting the CC&R's is an on- going and lengthy process. The Board received the draft of the By-laws and CC&Rs back from the attorney and are reviewing them. When they meet the Board's approval, they will be sent to owners for review.

REPORT BURNT OUT LIGHT BULBS

For efficiency's sake, please include all the specific details as to type and location. If it's a light that is in a location that is a bit more difficult to describe, please include a photo. Preferably, a call would be more efficient. Thank you.

**ALL EXTERIOR ALTERATIONS REQUIRE
 BOARD'S PRE-APPROVAL**

In order to keep things uniform, all exterior alterations (doors, screen doors, windows, patio flooring and lattice work enclosure, etc.) must have the Board's pre-approval. Otherwise, the Board will ask you to restore

the altered item at your own cost or have it done and pass all related costs on to you. When in doubt, make your request known to the Board. To request for consideration, please email your request with specs, photos or plans to the Board, c/o Management, at the address below. Please do so at least 7-10 days before a board meeting. Thanks.

THINKING OF REMODELING?

Unit Interior Modifications should also have prior Board Approval.

Unit owners have greater discretion for interior unit modifications and improvements, but any major modification should have prior Board Approval. Remember, certain interior changes are still not allowed. These include items like removing load bearing walls, dividing or combining units, and building useable areas in designated restricted airspace within third-floor units. Adding hardwood flooring should have prior approval to ensure proper insulation and installation procedures are followed to reduce noise issues. As with exterior alterations, interior modifications made without prior Board approval or in violation of Grove regulations will be subject to removal, restoration, and/or further modification at the Board's request and at the Unit Owner's expense.

**ASSOCIATION TO REPAIR FAULTY PRESSURE
 REGULATORS & BILL OWNER**

In order to prevent damage to the foundation, seepage to lower units, and wasting of water, the Association will be replacing a faulty (leaking or one that makes loud noise) pressure regulator if it is not dealt within a week or less after a notice is distributed to the unit. All related costs will be passed on to the unit owner.

**PATIOS & BALCONIES TO BE TIDY; NOT
 MEANT AS PLACE FOR STORAGE**

As a reminder, your patios and balconies are mainly for patio furniture and not intended to be used as a storage place for items which do not fit inside your unit. Thank you in advance for keeping your home and your building in an attractive condition. Your neighbors will appreciate your diligence.

**OWNERS ARE RESPONSIBLE FOR THEIR
 TENANTS & GUESTS BEHAVIOR**

As a reminder, unit owners are ultimately responsible for the behavior of their renters, renters' guests, contractors, agents, etc. Unfortunately, if one of these people violates an Association rule or policy, the unit owner may ultimately be levied a fine. Rules and regulations

are posted on the Association's website www.eucalyptusgrove.org. Thank you in advance for informing your renters, guests, etc. of the Association expectations.

INSURANCE INFO FOR REFINANCE

If you are refinancing your home loan, your lender may need to obtain an insurance declaration page. You may call Timothy Cline Insurance Agency at 800-966- 9566 and please follow the prompt (or email to info@clineagency.com).

Speaking about insurance, the Association insurance has a \$10,000 deductible while water damage may have a higher amount. You should speak with your insurance agent about getting proper and adequate coverage so that there's no gap between what your insurance covers and the Association's. A copy of the Association insurance policy is available upon request.

The Association also carries earthquake insurance with a 5% deductible of the coverage amount (\$35.9M+). A copy of the policy is available upon request. Please discuss with your insurance agent about "loss assessment" coverage.

All renters are strongly encouraged to get renters insurance.

PLEASE CHECK FOR LATEST INFO ON ASSOCIATION WEBSITE

The official website address for our Association is <http://EucalyptusGrove.org>. For your convenience, you can find important information and documents (CC&R's, By-Laws, Amendments, Guidelines, newsletters, agendas, minutes, notices, and other published correspondence) posted there. Many times, the minutes have more information than what is in the newsletters. It is essential that all owners & residents are aware of the rules and regulations. In addition, if you have tenants, you are responsible for making sure they receive copies & comply with the rules.

PROBLEMS WITH MAILBOX LOCK?

If you have difficulty working your mailbox lock, you may want to spray some silicone lubricant in the lock. Sometimes, it gets sticky and does not want to turn (or it's because there's a piece of mail that is jammed up against the lock). The Association does not maintain your mailbox lock nor has key to it. You will need to call a locksmith or the Goleta Post Office (805-692-5642). Thank you.

OWNER CONTACT INFORMATION REQUIRED

As part of the governing documents, all owners are required to provide your current information to the Association. If you move, change your contact information or if you have tenants or new renters, please provide the names, mailing address, telephone #s, email addresses. You can write a note and send it to the Association c/o the address below, fax it to 805-682-4341 or email the info to JamesN@Bartlein.com. Also, to help you in your dealings with lenders, the Association keeps track of the owners / tenants ratio. Please make sure to include the unit address to which you are referring. Thank you.

Please note: According to the CC&R's 3.1.2, if you rent, the rental agreement must be in writing; Association rules must be given to your tenants (check Association website) and the tenants must abide by the rules; if the tenants fail to comply with the Association rules, it shall be a default under the rental agreement.

BOARD MEETING SCHEDULED; AGENDA ENCLOSED;

The next meeting is **May 11, 2023**, at 6PM, via Zoom. (See Previous Page for Zoom Link).

The Board meetings are usually on the 2nd Thursday of the month. All owners are welcome. If you have a specific request for the Board to review, please put it in writing and send it at least 10 days before the meeting (to the address below). The agenda is emailed, posted at the mailbox area and/or posted on the website at least 4 days before. Meeting minutes are also posted on the website. If you wish to physically attend the meeting, you may come to the Management Office at 3944 State St. #200, Santa Barbara. Please call the day before the meeting to let us know that you're planning to come.

If you have renters, you are responsible to forward the newsletter to your tenants. Thank you.
